THAI CULTURE DAY POSTPONED

Due to the unpredictability of the weather conditions, and the forecasted rain and predicted flooding, we have made the difficult decision to postpone the Thai Day celebrations that were scheduled for Saturday, October 5, 2024. This decision was also made with the safety of our community as our top priority, and we want to ensure that everyone remains safe at home during these extreme weather conditions.

We encourage everyone to stay safe, and we will keep you informed about any further updates. Thank you for your understanding and patience as we continue to prioritize the safety of our community.

STUDENT-LED ASSEMBLY BY G10

You are invited to the first MC Assembly of the school year! This is a time to celebrate the students' accomplishments, to hear musical performances and build community. Grade 10 students are working on their leadership skills by leading the assembly.

We invite you Thursday, October 10, from 8:30-9:30 AM to the MC Auditorium.

PARENT SUPPORT GROUP

Following the assembly from 10:00-11:00 AM, we will have a PSG (Parent Support Group) meeting to discuss the following:

- Quarter 1 Reports
- Parent-Teacher Conferences
- AI and Google Translate

Mr. Shaun and the Coordinators will be present. Please RSVP (respond) if you are able to attend. We look forward to seeing you all!

NO ASAS NEXT WEEK

HISPANIC HERITAGE MONTH IN MYP

MYP Grade 7 students joined in the Hispanic Heritage Month celebration by learning about the significance of piñatas and the detailed process of making them. These piñatas were broken to celebrate their first quarter of learning Spanish.

To celebrate Hispanic Heritage Month, MYP Grades 8-10 learned about bullfighting, La Tauromaquia, and became aware of this controversial practice, which remains a significant part of Spanish culture. It has also become a global issue among those who advocate for animal welfare and protection.

To explore this topic, we watched Ferdinand, a movie that promotes a message of animal protection, while enjoying palomitas de maíz! 🎉

JR. SWIM MEET

APIS had a wonderful time at the CMAC Jr. Swim Meet on October 1, 2024. Our students gained valuable competitive swimming experience and had a great time with their peers. We even brought home some special medals! It was a fantastic day for swimming! Special thanks to our amazing coaching staff and support personnel for their continuous guidance and encouragement. Your efforts behind the scenes make all the difference!
