## THANK YOU!

Thank you to every parent and family for attending and participating the Halloween parade on Thursday morning, as well as the Learner Profile assembly and Parent Support Group meeting #3 on Friday morning. Your participation in our school activities greatly supports students' learning in social and emotional skills, fostering their curiosity, imagination, engagement, and understanding of the diverse experiences our world offers. We truly appreciate your involvement!

## HOUSE ACTIVITIES - HAPPY HALLOWEEN!

After the morning parade, students returned to their regular classes. In the afternoon, they enjoyed Halloween-themed House activities. It was a fun-filled day brimming with color! These activities support students' imagination, which in turn helps them develop critical thinking skills, follow simple directions, build expressive and receptive language, enhance social skills, learn to manage their emotions, and also foster teamwork within their House teams!

## LOY KRATHONG

Parents and families are cordially invited to join us for our Loy Krathong celebration on Friday, November 15th! Enjoy a day filled with Temple fair activities, including student performances, game stations, and various food stalls. Please note that it will be a half-day of school, so kindly plan to pick up your child(ren) at 12 PM. We look forward to seeing everyone come together and enjoy this special event as a community!
