PRIMARY WEEKLY NEWSLETTER

HAPPY SNAKE YEAR 2025 AND WELCOME BACK TO SCHOOL!

We wish every family good health, happiness and prosperity entering the year of the snake in 2025! Welcome back to school! Hope everyone had a relaxing holiday and was able to recharge your battery to move into another exciting year.

WARM WELCOME TO NEW MEMBERS!

We are thrilled to welcome new students and families to our school this semester, from PreNursery to Grade 4! It's wonderful to see new families joining our community. Please take a moment to greet and make them feel welcome when you see them around the school. A friendly smile and a warm introduction can go a long way in helping them feel at home. Thank you for your support in fostering a welcoming environment!

PRENURSERY OPENING UPDATE

We are delighted to welcome three students into our pre-nursery program! They are bravely getting into the routine with the support of Ms. Sonia and Ms. Tangkwa, who are guiding them through the program. Additionally, we appreciate the parents who joined us for Curriculum Afternoon on Thursday, January 16th, to learn more about the program and our expectations. Thank you for your continued support as we embark on this exciting journey together!

HAPPY TEACHER'S DAY

- January 16th is Thai Teacher's Day, a special occasion to honor and appreciate every teacher who dedicates their time and effort to guide our students and help them reach their full potential in all subject areas. We wish all our teachers a happy and healthy life, filled with joy and fulfillment in their invaluable work.
- Congratulations to Aj. Ladda and Ms. Ping. We are thrilled to celebrate these outstanding educators as recipients of The Teacher's Day Honorary Award for Administrators and Teachers 2025. This prestigious recognition honors the dignity and dedication of professionals in education. Join us in celebrating their well-deserved achievement and recognizing the incredible work they do every day.

DIGITAL DEVICES POLICY REMINDER

We would like to bring your attention to our school's policy regarding smartwatches and other digital devices. Students are not permitted to use these devices during learning time, as they can be distracting and hinder focus on their studies and activities.

If you prefer that your child wears a smartwatch for safety reasons, please visit the office to fill out a permission form. However, please note that the device must remain in their school bag during learning time. Thank you for your understanding and cooperation.

PLAYGROUND CLOSURE NOTICE

To parents, we would like to remind you that the school playground closes at 4 PM every day. This allows our gardener and technician to begin their maintenance work. Additionally, please note that there will be no supervision duty after this time, as our teachers and staff need to return to their responsibilities to prepare for the next day. We greatly appreciate your understanding and cooperation in this matter.
