APIS DRESS CODE EXPECTATIONS

This is a reminder that APIS has a dress code outlined in the Family Handbook, which all families have acknowledged by signing. Therefore, full compliance is expected from all students, and we require your cooperation to ensure these standards are met. As parents and guardians, you are the first to see your child in the morning. Please ensure they leave home wearing the appropriate uniform. For further details, kindly review pages 9-10 of the Family Handbook, which clearly outline the dress code requirements. Students who arrive at school dressed inappropriately will be directed to the school shop in Building A to purchase the required uniform items. Thank you for your immediate attention to this matter and your ongoing support in maintaining the integrity of our school's expectations. We appreciate your partnership in ensuring that all students adhere to the school's dress expectations.

U16 BOYS SECURE HOME WIN

Our U16 boys basketball team showcased incredible resilience and discipline in their hard-fought victory against Panyaden yesterday. Despite dealing with injuries, the boys' unwavering focus on defense and protecting the ball turned the tide of the game. Their effort in shutting down the opposition and making smart plays under pressure paved the way for a well-earned comeback win. Congratulations to the team and coaches. Go Dragons!
